

# ILM Level 5 in Leadership & Management

A high level view of the programme	
<b>Target audience</b>	An ideal qualification for leaders or potential leaders within organisations. This programme will equip you with the core skills to develop, lead and empower individuals and teams
<b>Qualification requirements</b>	You need to complete and pass two assignments. Each of these are approximately 3,000 words in length.
<b>Three assignments</b>	
<b>Learning modules three modules over 6 months</b>	This programme is modular in format to maximise the level of support as people progress through the formal qualification.
<b>Module 1 - 2 days</b>	<p><b>Module 1 - Leadership excellence</b> - An immersion into the core skills of leadership. We will explore leadership style, motivation and engagement and will use case studies from companies like Google and Amazon to bring our understanding of leadership excellence up to date</p> <p><b>Module 2 - Building a high performance team</b> This two-day module is rich in models, tools and methods to develop a strong and supportive team. This programme contains a significant element of experiential learning so participants get to experience and reflect on their strengths and a leader and a supporting team member</p> <p><b>Module 3 - Results focus</b> This module explores the complexity of goal setting, feedback and making progress. We will look at how to build a result oriented team and how to align individuals to the core aims</p>
<b>Module 2 - 2 days</b>	
<b>Module 3 - 1 day</b>	
<b>Materials</b>	Our handouts are impressive and contain many tools and models that you will be able to use during back in the workplace
<b>Dates &amp; timings</b>	This programme works really well when spread over six months
<b>Award, Certificate or Diploma?</b>	This outline is based on participants completing an ILM Level 5 Award in Leadership & Management. We can adapt this and expand it to Diploma level but you will need to discuss the implications of this for workshops and the number of assignments
<b>Where?</b>	We usually offer this as an in-house programme for a group of participants
